**NOTICE OF VIOLATION**

**Released:** July 29, 2014

By the District Director, Los Angeles Office, Western Region, Enforcement Bureau:

1. This is a Notice of Violation (Notice) issued pursuant to Section 1.89 of the Commission's rules (Rules)<sup>1</sup> to Harold Pick, licensee of radio station WQCD501, serving Los Angeles, California. Pursuant to Section 1.89(a) of the Rules, issuance of this Notice does not preclude the Enforcement Bureau from further action if warranted, including issuing a Notice of Apparent Liability for Forfeiture for the violation noted herein.<sup>2</sup>

2. On June 10, 2014, agents of the Enforcement Bureau's Los Angeles Office, in response to a complaint, monitored the frequency 462.525 MHz, and used direction finding techniques to locate the radio station WQCD501 at Contractor's Point located near San Fernando, California (approximately 34° 20' 33" north latitude and 118° 24' 23" west longitude) and observed the following violation:

- a. 47 C.F.R. § 1.903(a): "Stations in the Wireless Radio Services must be used and operated only in accordance with the rules applicable to their particular service as set forth in this title and with a valid authorization granted by the Commission under the provisions of this part..." The license for WQCD501 did not authorize the use of frequency 462.525 MHz. Also, the WQCD501 license did not authorize a fixed transmitter to be located at the Contractor's Point radio site.

3. Pursuant to Section 308(b) of the Communications Act of 1934, as amended,<sup>3</sup> and Section 1.89 of the Rules, we seek additional information concerning the violations and any remedial actions taken. Therefore, Harold Pick must submit a written statement concerning this matter within twenty (20) days of release of this Notice. The response (i) must fully explain each violation, including all relevant surrounding facts and circumstances, (ii) must contain a statement of the specific action(s) taken to correct each violation and preclude recurrence, and (iii) must include a time line for completion
